SUBJECT : Tickets for Family Day Tours

1. Please note that the invitations for Family Day serves as the ticket for admission. It was printed up with public visits in mind. For purposes of Agency employees' families it is not necessary to fill in the date. It might be well to identify the time (0900, 1030, 1200 hours) the family is to visit so that the auditorium will be filled at each of the three sessions. Public visitors will sign on the back and the name will be checked against a master list. Of course, for Family Days this will not be necessary.

SANCA?

2. It must be emphasized that this will be a controlled tour including only the areas covered on the program/map which will be given out in the auditorium. It will not extend to other areas that have traditionally been opened for Agency open houses. These particular tickets are for 24 September only and a different color ticket will be used for 1 October sessions. After the tour employees' offices may be visited. *Only in Hq. bldg. & when accompanied by*

EO
How do they do this check?
Will we need some ODP-provided system up on visitor days?
